A Timeline of Extraordinary Events

2021

Designed and manufactured hundreds of square feet of new signage in the re-branding of WeWash — a timeless local car wash on Chicago's South Side.

Created Happi — a Progressive Web Application that lets you code & launch Javascript from your mobile device. Includes a hand-crafted gamified virtual keyboard and text-editor. conradklek.github.io/happi/

Created Gooie — my very own SPA HTML DOM compiler. /s conradklek.github.io/gooie.html

2020

Oversaw production of COVID related printed media for Willis Tower (Colorphonic's tallest client at 108 floors), including all CDC guideline floor vinyl and CDC elevator signage (104 elevators!)

Graduated from DePaul University

2019

Branded and developed the website for IKON, a prestigious interior design company and custom cabinet manufacturer. www.ikonid.us

2017

Head of the Apparel Committee at the Sigma Pi fraternity. Designed and printed all the merchandise for philanthropic events.

Studied Computer Science at the University of Iowa

2015

Designed the official Senior Sweater for the entire graduating class at Lincoln Park High School in Chicago.
